- To be able to advise parents / carers of outside agencies that may be needed to support your child
- To provide rewarding and enjoyable experiences whilst in the key workers care
- To ensure that the environment and equipment are safe to protect your child from harm.

Person with overall responsibility

The Head has overall responsibility for ensuring that the Key Person assigned to your child is a suitable person and that they have a full DBS check. The Head/Operations Manager and Setting Manager are responsible for ensuring the Key Person is aware of their responsibilities and they are up to date with all current Policies and Procedures.

Any concerns you have about your child’s Key Person should be raised with the Head/Operations Manager and Setting Manager. Any concerns will be passed to the Head.
